

August 2021

## UH Avon Health Center

#### **DIABETES AND NUTRITION**

## **Diabetes and Nutritional Counseling**

Offering either virtual or in-person outpatient nutrition counseling. Focus will be on behavioral and lifestyle changes to encourage better eating habits and enhance overall health. This is recommended for those seeking nutritional advice, manage weight or diagnosed with diabetes, high cholesterol, prediabetes or other health conditions. Counseling will include meal planning; carbs; portion size; reading labels and general nutrition. Most major insurance is accepted, including Medicare. A referral from your physician is required by University Hospitals and may be required by your insurance. Check with your insurance in advance regarding coverage. For more information and to register, call Kim Horvath, MEd, RDN, LD, CDCES at 440-284-5709 Monday - Thursday

(Late afternoon and evening hours available on Tuesdays and Wednesdays)

## **UH Cleveland Medical Center**

#### **DIABETES**

#### **CINEMA**

DIABETES INCREASES the risk for heart, vascular and kidney complications. Patients with a diagnosis of diabetes can now schedule a consultation with our Center for Integrated and Novel Approaches in Vascular Metabolic Disease (CINEMA), one of a select few in the country and the only program in Ohio. This new program is comprised of UH cardiologists trained in diabetes, diabetes educators, and nurse coordinator and offers both virtual and in person visits with our

multidisciplinary team to develop a personalized treatment plan.

CINEMA is not meant to replace diabetes care, but supplement existing care with a team-based approach to ensure every available measure is taken to support diabetic patients manage their wellness efforts.

To schedule with CINEMA, or for questions, please call (216) 844-1357 or email CINEMA@uhhospitals.org.
